Directions: Copy cards on heavy card stock and cut apart.

Review lesson\* and memory verse: “Everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock” Matthew 7:24.

Say: “Today’s game will help us understand the meaning of today’s memory verse.” Review the cards in order, and then mix them up.

**For smaller groups**, play a classic memory match game. Lay cards face down in a grid. Children take turns flipping over two cards, attempting to match the blue card to its corresponding yellow card. If they find a correct match, they keep the pair and take another turn. If not, they flip them back over. Next player takes a turn.

**For larger groups**, use sticky tack or glue dots to place them faced up on one side of the board, but not in order. Children take turns matching the pairs and placing them on the other side of the board.
